HOME LYMM

THINK GOURMET... THINK HOME

HOME Lymm – Cheshire's latest premier restaurant and bar concept – is the exciting brainchild of Chris Hume.

Combining the best elements of all of Chris' previous business ventures, Home Lymm follows a fine 30-year tradition of outstanding eateries.

Having started out in the 1970s with Didsbury's renowned Steak & Kebab, Chris then took his expertise to the popular French Brasserie restaurant outlets located in Wilmslow and Hale.

After yet more success with Hale's American Bar, Chris recently decided to sell his last business to pave the way for Home Lymm. Refreshed and enthusiastic about this latest venture, Chris says: "I wanted to bring town centre-styled bar and restaurant ideas into rural villages. Home Lymm is the flagship venue which epitomises everything I am setting out to achieve."

Little Bollington has readily accepted this new addition to its community – with residents already feeling 'at Home'.

Utilising the former Stamford Arms – a beautiful Victorian mansion situated on the edge of Dunham Massey Park – Home Lymm is now considered to be the premier place to eat out, socialise and have fun.

This listed building, located on the A56 Lymm Road, has been painstakingly renovated – restoring the building back to its former stature and glory. And yet naturally, Home Lymm

boasts an interior that is contemporary, funky and exciting – much like its menu.

Focusing on great traditional British dishes with a contemporary twist, the gastro-restaurant and bar upholds Chris' long-standing reputation for quality and value for money. While the food is reason enough to pay a visit, the bar is also inviting in its own right. With a range of premium lagers and cider, traditional ales and cocktails, this well-stocked bar also boasts a wine list of more than 150 wines and champagnes chosen specifically for Home Lymm from some of the world's greatest vineyards and wine estates.

The bar is open until midnight daily and 1am at the weekend. The 'Very Happy Hours' are Monday to Friday from 5pm to 7pm with big drinks discounts and free bar bites.

Bring a whole new meaning to 'House Party' at Home Lymm – a hassle-free way of bringing friends or colleagues together for a celebration, birthday, anniversary, wedding or any occasion you wish. Large and lavish (up to 200 guests) or small and intimate (10 to 40 guests), private rooms and areas are available, as are party menus and packages. Christmas is extra special at Home Lymm and the festivities start on December 1 with a mouth-watering seasonal menu. A special Christmas Eve festive a la carte menu is offered, with a DJ and dancing to follow.

On Christmas Day, home cooking and a log fire welcomes adults (£55) and children (£15). Why not join Chris and his team on New Year's Eve? Dine early before a night on the town or stay for the whole evening which includes a fantastic carvery, live music and DJ. See in the New Year and then tuck into a breakfast buffet at 2am (£49).

FACETS

THINK ACCESSORIES... THINK FACETS

BORN out of Fantasia gift shop in July 2005, Facets soon established itself as an exciting, affordable retail experience in King Street, Knutsford.

The Macclesfield store also underwent a re-fit in spring 2006 and in May, Fantasia became Facets of Macclesfield.

At both branches there is so much to see and be inspired by, such as everyday handbags, evening bags, fashion jewellery, key rings, parasols, belts, fashion specs, scarves as well as jewellery storage.

The huge variety and choice offered by Facets today is fundamentally fashion accessories which are manufactured and presented to a very strict standard and sold at the lowest price commercially possible.

There are ethical and moral questions asked of every item Facets sell and every supplier they deal with. Recommended retail prices do not govern the price they sell at.

If they can achieve a more competitive price for their customers, they will offer it. Facets also avoids pieces that can be found just around the corner or typically on any given high street.

The level of success the store achieves will be directly attributable to how well the Facets team remains true to the essence of the store which is 'TO PERSONALLY TREAT'. Having such strict guidelines as to what they stock actually makes sourcing easier and means they get the right product at the right price. The challenge is ensuring every person who comes in to the

shop, whether they make a purchase or not, receives the level of service they are happy with and that they all leave with a feeling of being treated. Facets are open Monday to Saturday, 9am to 5pm and are based at 67 King Street, Knutsford on 01565 632223 and 24 Castle Street, Macclesfield, 01625 511550.

GARETH WEST HAIRDRESSING

THINK HAIR...THINK GARETH WEST

BEAUTIFUL hair that is effortlessly cool...isn't that the look we'd all love to achieve? Now open on Knutsford's King Street, Gareth West Hairdressing is the unisex salon that puts your hair into the hands of the stylist to the stars. Says Gareth: "Having styled many stars of sport, the stage and the screen, I'm delighted to have established a salon in my home town which I dream of being able to do in London, Paris and Tokyo too.

"The secret behind gorgeous celebrity hair is simplicity. From your initial cut or colour, our talented team of stylists will teach you how best to care for your hair so that it falls effortlessly into place to show-stopping effect."

At the age of 19, Gareth was the youngest stylist ever on the shop floor at Charles Worthington's London salon.

In 2004, he was named Men's Hairdresser of the Year by the UK's hairdressing body and Schwarzkopf.

Styling models for Select and Storm — as well as publications in New York and Asia — brought his skills to the attention of the international stage.

And with everyone from former Manchester United football star Ruud van Nistelrooy to Lock Stock and Two Smoking Barrels actor Nick Moran taking Gareth's seat, there can be no doubting his A-list credentials.

Having worked closely on the art team that has been twice awarded the prestigious accolade of London Hairdresser of the Year, Gareth had ample opportunities to establish himself in our bustling capital and yet he is in no doubt that Knutsford is the perfect place in which to open his first salon.

Explains Gareth: "As a child, I grew up in Knutsford where my parents owned a hotel. I always knew that I would own my own business

one day and for me, Knutsford is the perfect place to be based.

"While there were many people who were prepared to invest in me in London, I wanted to be independent — a move which allows me to set my own high standards in terms of hairdressing and in customer service.

"Nick, the salon's joint director, also has a fantastic pedigree with strong roots here in Cheshire, having himself been art director at various local businesses and taking part in many photoshoots ranging from the commercial to the editorial. He brings with him a loyal following. Our extended family at the salon includes senior colour technician Becki, stylist Alex, our receptionist Val (who came from London with me) and our junior, Mai.

"With more than 30 years' experience between us, we can help our customers to select the hair products which will work best for them and teach them styling techniques to recreate the 'salon look' at home.

"There are countless salons in Cheshire, but few can lay claim to the accolades that I have brought to our business — plus our friendly team offers an unrivalled welcome."

SERVICES on offer at the salon include cutting, colouring, straightening and perming — indeed everything you would expect with the added emphasis on quality. Gareth West Hairdressing also stocks the exclusive Bumble&Bumble

product range as well as the prestigious Schwarzkopf.

To benefit from a 15 per cent discount on your first cut and colour, present the cut-out voucher which is valid until Saturday, December 9. Customers with Gareth or Nick will have the usual price discounted from £50 to £42.50 and from £30 to £25.50 with Alex.

Don't forget to claim your free goodie bag packed with hair products while stocks last.
