

Business of the Month

Improve your mobility the Easi-Way

EASI-WAY Mobility has been based in its premises on the Croft Business Park for over three years now, providing practical assessment and advice on a wide variety of products designed to improve daily living. Customers old and

new have been thoroughly impressed with the depth of products that are not only on show, but also for ordering from the exclusive specialist catalogues that Easi-Way have access to.

A family concern, the staff at Easi-Way will provide you

with any help you may need to improve your mobility either inside or out.

With the summer almost here, what better way for someone to keep their independence than with the latest boot scooters, priced from just £700, to the class 3 8mph models there is sure to be one to suit your needs. The large free car park outside gives customers ample room to try out the scooters in a practical environment.

A comprehensive range of accessories for scooters and wheelchairs such as capes or bags are also held together with walking frames, three and four-wheel walkers, sticks and replacement ferrules.

Customers can try a comprehensive range of both high back chairs and electric rise & recline chairs. From

single or dual motors to wall hugging chairs for those with limited space. These chairs can be tailored to the customer's exact needs in size and come in a variety of colours and fabrics to suit all tastes. Some can even be delivered in seven to ten days to your exact specification!

Easi-Way also stock the Tempur collection of pillows and overlays, a breakthrough in sleep technology.

From the smallest daily living aid, to bathing and toilet aids, to profiling electric beds, the staff at Easi-Way can provide information, assessment and advice on all aspects to make life easier.

So whether it's for yourself, parents or friends, the friendly staff at Easi-Way will do everything they can to assist you to make your life easier.

For more details or advice, call 346 1186.
