Where tradition and service matter

HELGASON'S Pharmacy in Altrincham continues the independent pharmacy tradition started around 140 years ago across the road from its present site.

James Helgason purchased the business 22 years ago, and now provides the community with a friendly, efficient free prescription order, collection and delivery service from all local surgeries, with the help of pharmacists Corrie, Sue and Hazel and the caring, well trained staff, who are always willing to help.

The van delivery service can deliver goods with prescriptions on request, including incontinence products.

For patients confused with their medication, special weekly packs can be supplied.

For the skin, Vichy, Almay and Skin Doctor preparations are available; also Kent hairbrushes and high

quality mirrors. The full range of Bronnley soaps is stocked.

More than 40 family doctor booklets produced by the BMA are stocked, covering a wide range of medical conditions from ADHD to varicose veins.

Special formula eczema and nappy rash creams for infants and children are made specially and these are steroid free. A comprehensive range of disability products are also stocked, or can be ordered specially.

For shoppers looking for a bargain, there is a constantly changing range of 99p special offers at below supermarket prices.

The pharmacy also has a branch in Vicarage Lane, Bowdon (Tel. 0161 929 9005), which is now also open on Wednesday afternoons.
