

# Business of the Month

## Mmm ~ a cake for every occasion

*'It was the best cake I've ever tasted'.*  
This is a familiar response to one of the Cake Lady's famous cakes.

Such is their popularity, that Alison (the Cake Lady herself) is now celebrating her first year in business.

The Cake Lady is a small family-run business, based in Eastham.

Providing you with cakes for all occasions, including weddings, anniversaries, birthdays and children's parties, they also provide buffet catering to suit every taste and budget.

So whatever the occasion - christmas, weddings, birthdays, engagements, corporate events, christenings, product launches, parties or even gallery openings, the Cake Lady creates cakes to suit the celebration perfectly.
