# Children in Need Appeal

IT'S that time of year again when countless madcap activities will be taking place across the town to raise funds for the BBC's annual Children in Need appeal. Expect to see heads shaved, cars washed, workers dressing up and dressing down and school teachers

making a general embarrassment of themselves in the playground. This year's event is being held on Friday, November 17 and a whole host of celebrities will join Terry Wogan, Fearnie Cotton and Natasha Kaplinski on BBC1 from 7pm in a bid to help Pudsey Bear collect pots of cash for less fortunate

children both in the UK and abroad. And if that doesn't give you paws for thought, the live show will feature appearances from the likes of McFly, Ronan Keating and Nelly Furtado, while Emma Bunton and the stars of Strictly Come Dancing will perform the official Children In Need single.
