Experienced staff are on hand to offer advice when choosing a new bed

If you need a new bed in double-quick time, Cozy Nites is the place for you.

Carole Bennett, Cozy Nites Crewe branch manager claimed: "As we have the biggest stock of beds in the area, we can usually satisfy any urgent requirements directly from our Hanley warehouse."

"We have 7,000sq ft of warehousing. At any one time, we hold massive stocks of beds and mattresses from all the major bed manufacturers."

"Added to this is our non-stop delivery service which ensures that we will be making drops in your area at least three times a week."

The company itself has been trading for over 25 years – it has a shop in Litchfield Street, Hanley, which is run by manager Keith Eaton and one in Edleston Road, Crewe.

Carole stressed that customer service was paramount at Cozy Nites.

"We always have experienced staff on hand to offer advice over the right bed for you. It is this personal service which prompts people to buy our beds and recommend us again and again."

Cozy Nites is open from 9–5.30pm, Monday to Saturday at both branches.

The Hanley branch can be contacted on 01782 287813. Contact the Crewe branch on 01270 501941.

Serenity
Farewell tension, hello sleep

A wonderful choice if you lead a stressful lifestyle and suffer from tension. Minute carbon threads in the deliciously soft, knitted mattress cover are clinically proven to conduct static electricity away from your body, leaving you properly relaxed - in fact clinical trials prove you could gain up to 20 minutes of deep sleep extra per night!

The **No Stress Serenity** has a very high specification in every respect, so it's not only the cover that will give you no stress! Eight handles to the double mattresses, two square vents, a microquilted top and side stitch border are the visible testament to the Serenity's quality. And for the essential sleep factor, lots of pocket springs, topped by a very generous 50mm of memory foam, means deep comfort awaits.
