

Around Rainford

Working for the village

I WOULD like to thank the residents of Rainford for their overwhelming support enabling me to serve again as District Councillor alongside Cllr Betty Lowe MBE and Cllr John Parr.

I was also successful in the Rainford Junction Ward together with Cllrs Peter Hesketh and Stephen Patterson.

With all the other elected Councillors we now have a full

Conservative Parish Council endeavouring to work hard for the Parish of Rainford.

We also hold regular surgeries to help with problems and queries of the community.

As an elected Councillor along with my colleagues we will work for the whole of Rainford irrespective of politics.

CLLR DAVID Grice, Rainford

Kids get a taste for Spam as they whirl back to the war years

ABOVE: PUPILS in Year 3 and 4 at Rainford C of E Primary School held a party to celebrate VE Day.

The children have been studying and learning all about World War 11 and all the children dressed up in clothes of the time for the occasion. They enjoyed a feast of Spam and jam sandwiches, jam tarts and plain sponge cakes.

There was jitterbug dancing and sing-a-longs, which the children had learned especially for the celebration. Everybody enjoyed the day, and it proved to be a perfect way to round off their topic work.

The children in the picture (Left to Right) are Lois Henderson, Scott Copeland, Daniel Bingham and Hannah Harrison.

Walk on

The biggest day in Rainford's calendar is rapidly approaching as the village's annual walking day is due to be held on Saturday, June 16.

Hundreds of local youngsters will be turned out in their Sunday best to parade the length of the village before enjoying the traditional fun fair on the Rec.

BIG NEWS

Interflora the flower experts Is coming to Wendy's from the 1st of July

WENDY'S Flowers in Rainford will be switching to Interflora to distribute their top-notch flowers at the start of July.

And proprietor Wendy Downey reckons the switch can only enhance the superb service they already offer their customers.

She said: "Interflora are probably the top flower relaying organisation in the country.

"I think the switch will make a huge difference to us because we will be able to offer our customers perks like hampers chocolates ect.Fans of the popular Church Road florists will be able to learn the basics of flower arranging at a special creative workshop next month too.

At 7pm on Thursday, July 5, they will be holding a hands-on session for budding flower arrangers, complete with refreshments, at the local scout hut –

Brides!
Book a florist
with 30 years
