Win a case of wine!

WITH Valentine's Day approaching, true romantics will no doubt be planning a delicious Valentine's meal for the one they love.

For those who need a little help choosing a wine that will reflect their passion - Kumala, the bestselling

South African wine, has the answer.

Using the Western Cape's abundant sunshine and the very best fruit from this wine making paradise, Kumala's free vibrant range of reds, white and rosés offer a real taste of adventure.

For velvety smoothness and lots of fruity flavour Kumala recommends a Pinotage Shiraz from its Dual Variety range.

With rich fruity berries and excellent colour, Kumala reds are perfect with red meat and rich cheeses.

Natural, crisp acidity and a simple freshness are the hallmarks of Kumala's 'easy-drinking' white wines.

For pure enjoyment choose a Chardonnay Semillon, Sauvignon Blanc Colombard or Chenin Blanc Chardonnay and serve with chicken, fish or pasta.

Kumala's seductive 'pink' rosé wine is a great intermediate step for those who'd like an

alternative to white wines but aren't ready for the taste of a full-bodied red! To celebrate Valentine's Day the

Globe has two cases of Kumala to give away.

To win, answer the following question:

Where in the world does 'Kumala' come from? Is it:

- (a) Australia
- (b) South Africa
- (c) The Wirral

To discover more about Kumala's range of wines, visit www.kumala.com.

Write your answer on a postcard and send it to: Globe/Wine competition, Haymarket Court, Hinson Street,

Birkenhead CH41 5BX by Wednesday February 14.
